Overview of the menu bar:

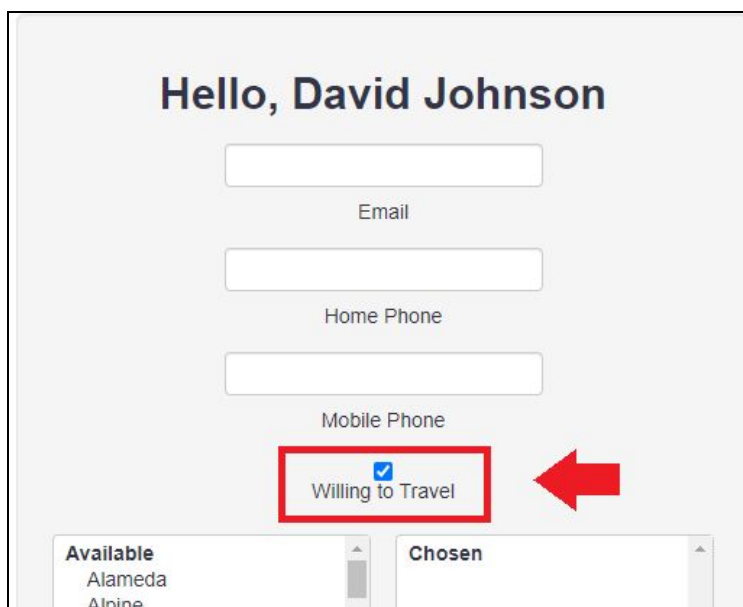

1. **View My Shifts:** This is your homepage or “Dashboard” where you can update your Profile information and view your Upcoming Shifts, Completed Shifts, and Cancelled Shifts.
2. **Available Shifts:** On this page, you can view a list of facilities and shifts available to sign up for. Health Corps staff adds you to an opportunity (also known as a “Deployment”) based on your location, skills/certifications, and willingness to travel.
3. **Submit Hours:** This page is where you go to submit hours after you have completed a shift.
4. **Resources:** The “one stop shop” for informational resources such as FAQs, guides, and more.

How to mark yourself as “Willing to Travel”:

1. On the View My Shifts page, click on **Update Profile** next to your name.

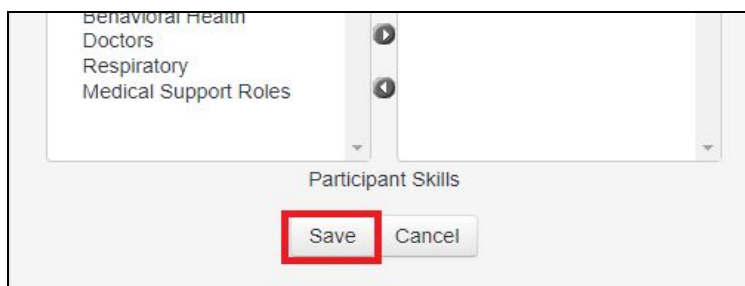

2. Click on the **checkbox** under Willing to Travel. This will increase the number of facilities seen in your CA Health Corps Portal in the future.
